

Job Opening: Maintenance Technician II Position

Provo City Housing Authority is seeking applications from a career-oriented, highly motivated, self-starter for a full-time **Maintenance Technician II Position**. **This individual will primarily be performing maintenance and repair of apartment units, buildings and grounds.**

Qualified candidates should possess a high school diploma and a minimum of 3 years experience performing the following skills: knowledge and experience in installation, maintenance, and repair of HVAC, electrical, and plumbing systems, drywall repair and painting, door and window installation, tile, VCT and/or carpet flooring installation and other general construction activities as assigned. Certification/license in HVAC, electrical, or plumbing preferred. Individual should have good customer service and communication skills. Individual will be on-call for maintenance emergencies one week per month.

This position requires residence within 20 miles of the office, a pre-employment drug screen, a valid Utah driver's license with good driving record, and reliable transportation. PCHA provides a competitive wage based on experience and an excellent benefits package. **Application and detailed job description available online www.provohousing.org or at the office.** Please submit application to: Becky Chipman, Executive Assistant: bchipman@provohousing.org Provo City Housing Authority, 650 West 100 North, Provo. Applications must be received before noon on Thursday, April 27th.

PCHA is an Equal Opportunity Employer and a drug-free work place.
