Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning January 1, 2024 in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:

If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.
B.3	Progress Report. Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

B.4	Capital Improvements. Include a reference here to the most recent HUD-approved 5-Year Action Plan in EPIC and the date that it was approved.
B.5	Most Recent Fiscal Year Audit. (a) Were there any findings in the most recent FY Audit? Y N ☐ ☒ (b) If yes, please describe:
Plan Elements Submitted All Other Years (Years 1-4). Required elements for all other fiscal years. This section does not need to be completed in years when a Small PHA is submitting its 5-Year PHA Plan.	
B.1	New Activities (a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year? Y N ☐ ☒ Hope VI or Choice Neighborhoods. ☐ ☒ Mixed Finance Modernization or Development. ☒ ☐ Demolition and/or Disposition. ☒ ☐ Conversion of Public Housing to Tenant-Based Assistance. ☐ ☒ Conversion of Public Housing to Project-Based Assistance under RAD. ☒ ☐ Project Based Vouchers. ☐ ☒ Units with Approved Vacancies for Modernization. ☒ ☐ Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants). (b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. PCHA has no planned activities under demo/disposition program. PCHA will continue to pursue the conversion of part or all of its public housing units to Tenant Protection Vouchers through Disposition/Repositioning if financially feasible PCHA is still looking into the Disposition Application to sell 10 units due to location and/or major plumbing issues. Site E (612 and 614 North 1150 West). Site O (621 and 623 West 1975 North), and Site P (696 and 698 West 1800 North, 703,705,706 and 708 West 1800 North) PCHA is looking into "Asset Building" opportunities for public housing residents. Staff will begin attending trainings on the subject and learn how and what PCHA can do to engage residents and community partners. (c) If using Project-Based Vouchers, provide the projected number of project-based units, general locations, and describe how project-basing would be consistent with the PHA Plan. PCHA is not currently administering any project based vouchers but is actively seeking opportunities to project base vouchers with private developers or in properties owned or managed by Utah Regional Housing in order to control more units for our voucher program. The PCHA will project base up to 15% of our vouchers at any development in the County. The Provo housing market has a shortage of housing across all economic levels but an extreme shortage of affordable housing units. The PCHA believes that the use of project based vouchers may increase the supply of affordable units. (d) The PHA must submit its Deconcentration Policy for Field Office Review. It is the PCHA's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner. The PCHA's family units range from single family units to fourplexes that are located at scattered sites throughout the city of Provo and therefore promote income deconcentration due to the distance between properties. The PCHA will seek to expand opportunities for assisted participants to locate housing outside areas of poverty or racial concentration by encouraging private landlords to make suitable units located outside areas of poverty or racial concentration available for Section 8 participants.

B.2	Capital Improvements. Include a reference here to the most recent HUD-approved 5-Year Action Plan in EPIC and the date that it was approved. The most current Capital Needs plan was approved 03-23-2023, see attached plan.

Resident Advisory Board Meeting

09/06/2023

- 1.) We let the residents know that the fire panel needs to be replaced. With the replacement comes new fire code, so each unit will have a new strobe light and additional alarm.
- 2.) The question was posed about when PCHA would be taking down Valley Villa, as a part of redevelopment. PCHA tabled this project until we have a better picture. We discussed doing an upgrade to the units rather than a replacement. Tenant wish list; Dishwasher, shelves in the bathroom and less carpet, possibly vinyl planking.
- 3.) PCHA mentioned that HUD would like PHA's to look at ways to increase assets for public housing residents. It's a new initiative, so PCHA needs time to learn about and see what options are out there.
- 4.) Tenants were interested in the curb appeal. They asked about being able to plant flower or shrubs in front of their patio. PCHA encourages residents to beautify their patios, with the understanding they have to maintain it.
- 5.) There is some concern with the dryers not working well, costing extra money to dry. PCHA will look into the dryers and see if there is something that can be done.
- 6.) The residents want to bring back BBQ's and pot lucks around the holidays. This has been done in the past, but covid changed things. PCHA will look away to create community gathering for the residents.
- 7.) There were no questions about the annual plan or the 5-year plan.
